4K@60Hz Visuals: Experience smooth, lag-free 4K visuals at 60Hz on your HDMI-enabled TV, monitor, or projector. Enjoy sharp, detailed images and videos with vibrant colors.

Mini DP to HDMI Connectivity: Effortlessly connect your MacBook, Ultrabook, or any other Mini DisplayPort-equipped device to HDMI displays for a seamless viewing experience.

Premium Build Quality: Constructed with durable aluminum alloy for enhanced heat dissipation and a sleek, professional look.

Gold-Plated Connectors: 24K gold-plated connectors ensure optimal signal transmission, minimizing signal loss and providing a reliable connection.

Wide Compatibility: Compatible with a broad range of Mini DisplayPort devices, including Apple MacBook, Ultrabooks, and Windows laptops.

Plug and Play: Easy to use - simply plug and play. No additional drivers or software required.

Support 1920×1080@60Hz

Enjoy smooth, vivid and crisp Full HD imagery and sound
