1. Product Overview & Features

The MOWSIL USB-C Printer Cable 1.5M is designed to connect modern USB-C laptops and desktops to USB-B office devices such as printers, scanners, copiers, and plotters. It supports reliable USB 2.0 data transmission with plug-and-play convenience.

USB-C to USB-B Connects Type-C host devices to USB-B printer/scanner ports.	Up to 480Mbps USB 2.0 data transfer speed for standard print and scan workflows.
Plug & Play Easy connection without complicated setup for compatible devices.	Stable Transmission Built for consistent document printing, scanning, and office data transfer.
Reversible USB-C USB-C side connects easily without checking orientation.	Wide Device Support Supports printers, scanners, copiers, and plotters with USB-B ports.
Backward Compatible USB 1.1 backward compatibility for legacy device support.	Durable Construction Black cable with reinforced connector structure for daily office use.

2. Technical Specification

Brand	MOWSIL
Model	MOCP15
Product Name	MOWSIL USB-C Printer Cable 1.5M
Connector A	USB-C male
Connector B	USB-B male
Cable Length	1.5 meter
Data Standard	USB 2.0
Data Transfer	Up to 480Mbps
Backward Compatibility	USB 1.1 compatible
Device Support	Printers, scanners, copiers, and plotters
Compatibility	Windows and macOS compatible
Connection Type	Wired data connection
Color	Black
Warranty	2 Years

Note: For best performance, connect directly to the computer USB-C port and the USB-B port of the printer/scanner. Data speed depends on host device, port, operating system, and connected equipment.

3. Connection Guide & Use Cases
