

DP to VGA Adapter

SKU:MODVG

With support for video resolutions up to 1920x1200 or 1080p, you'll be surprised at the picture quality the adapter provides, even when connected to a legacy VGA monitor, projector or television. The adapter harnesses the video capabilities built into your DP connection to deliver every detail in stunning high-definition.

The DisplayPort adapter makes your DP computer fully compatible with existing VGA monitors or projectors in your home or around your office. The VGA connector features nuts that mate with the screws on standard VGA cables, to ensure your video cable won't get disconnected.

computer to a VGA display. The adapter supports plug-and-play connectivity ensuring a hassle-free setup.

The MOWSIL DP to VGA adapter lets you connect your DisplayPort laptop or desktop
